1. Introduction

The information provided by *Smooth Sailing Technologies* represents a Disclaimer for smoothsailingtechnologies.com (the “Site”) [and the application] and is for general informational purposes only.

This Disclaimer remains valid until superseded by a revised disclaimer.

2. Website & Application

All of the information on the Site [and the application] is provided in good faith, however *Smooth Sailing Technologies* makes no representation or warranty of any kind, express or implied, regarding the accuracy, adequacy, validity, reliability, availability or completeness of any of the information provided on the Site [or the application].

Under no circumstance shall *Smooth Sailing Technologies* have any liability to the customer for any loss or damage of any kind incurred as a results of the use of the site [or the application] or reliance on any information provided on the site [or the application]. Customer’s use of the site [or the application] and customer’s reliance on any information on the sute [or the application] is solely at customer’s own risk.

3. External Links

The Site [and the application] contains links to other websites and/or content belonging to and/or originating from third parties/links to websites. Such external links are not investigated, monitored, or checked for accuracy, adequacy, validity, reliability, availability, or completeness by *Smooth Sailing Technologies*.

4. Verify

Smooth Sailing Technologies through the application Verify checks the validity of a backup generated by JIRA, but does not guarantee data accuracy, adequacy, validity, reliability, availability, or completeness of the backup.
